**OLIVETTI ECR 5000s
CASH REGISTER**

olivetti

SIMPLICITY IS A BEAUTIFUL THING

The Olivetti ECR 5000s is a cash register ideal for every transaction that requires the utmost reliability, simplicity, and long-term use.

Its good looks have instant appeal; small and compact it blends elegantly with the retail shop and fine furnishings for nearly every product sector.

Easy to use, it provides a full range of cash-register functions for small business and small shopkeepers.

The extra-large characters on the fluorescent display make for easy, rapid reading. Use of the keys is intuitive because the keyboard is colour coded to distinguish the different areas.

The Olivetti ECR 5000s is the right choice because of its exceptional price to quality ratio. It offers a range of characteristics ideal for the transactions for which it was designed: 8 programmable departments, 99 PLU, 3 methods of payment.

color-coded keypad for logical separation of the zones
